FOREWORD

The 1981-1983 session of the 77th General Assembly was a landmark in the legislative history of the State. It was the first time since the legislative began its work in 1818 that the General Assembly was able to complete its work within the time of the 1980-1981 session. This year's session was a testament to the hard work and dedication of the members of the General Assembly.

INDEX TO THE TRANSCRIPTS OF THE  
SENATE DEBATES OF THE EIGHTY-SECOND  
GENERAL ASSEMBLY

STATE OF ILLINOIS  
(JANUARY 14, 1981-JANUARY 12, 1983)

In an effort to make the proceedings of the legislature more accessible to the citizens of the State of Illinois, the State Library has prepared this index to the transcripts of the Senate debates of the Eighty-Second General Assembly. This index is intended to provide a convenient means of locating specific topics discussed during the session.

The publication of this index is a result of the efforts of the State Library and the Senate. It is hoped that this index will be a useful tool for researchers, students, and the general public.

A list of Illinois legislative bills is also available from the State Library.

## FOREWORD

The Fall 1971 session of the 77th General Assembly was a landmark in the legislative history of the state. It was in October of 1971 that the legislature began recording and transcribing its deliberations under the terms of the 1970 Constitution. This meant that floor proceedings of the General Assembly would be accessible in a permanently written form.

Unfortunately, although the debates have been recorded since the Fall of 1971, these proceedings have not been published. They have, of course, been available to the public as the 1970 Constitution requires, but this has been through the legislative offices and the Index Department of the Office of the Secretary of State on an individual request basis rather than through a formal and complete publication.

In an effort to make the proceedings of the legislature known to the citizens of the State of Illinois, the floor debates from the 82nd General Assembly for the Senate were microfiched and sent to the Illinois documents depository libraries, library systems and other selected libraries throughout the state.

The publication of this index to the Senate debates marks the final stage in the completion of this project. Similar indexes to House and Senate floor debates of other sessions are also available or are in preparation.

A list of libraries receiving copies of the floor debate on microfiche is included.

## HOW TO USE THIS INDEX

In order to get maximum usage from this index, the researcher should keep the following guidelines in mind:

1. Coverage is limited to the 82nd General Assembly Senate floor debate (January 14, 1981-January 12, 1983).
2. Reference is by bill number only. Citations to Public Acts which are given in the Illinois Revised Statutes and in other sources, can be converted to bill numbers by consulting the appropriate Public Act as it appears in the session laws. Those who need access to debate by subject or sponsor should check the indexes in the Legislative Synopsis and Digest for reference to pertinent bill numbers.
3. The purpose of this index is to lead the user to discussion of legislative intent or reasons for particular activity, and not to serve as a record of all action. This means that there are no references to stages in the bills' progress which did not involve debate. Many bills, for example, are not amended on second reading. The Secretary indicates that there are no committee amendments, the presiding officer asks if there are floor amendments, is informed that there are none, and the bill is moved to third reading. There will be no citation to second reading debate on such bills since the floor proceedings contain no more information than the Senate journal or the Legislative Synopsis and Digest. Some bills were put on an agreed bill list and passed in a single roll call without separate discussion; these will not have citations to debate on third reading (final passage stage). Nonconcurrences are often adopted without debate and will therefore not be indexed.
4. Within the limitations of the preceding guidelines, debate was indexed for all House and Senate bills where it existed. Coverage for resolutions was more selective, since most of them are ceremonial and perfunctory in nature. Debate was indexed for all House and Senate constitutional amendment resolutions and for resolutions which involved controversy (usually investigations of problems or expression of sentiments which were not universally accepted).

TO LOCATE DEBATE FOR A BILL

1. Consult the bill number index. If there are entries under the bill, they will refer to date and pages.
2. Turn to the "Conversion Table: Legislative Day to Date" in order to convert the date to legislative day numbers.
3. Turn to Microfiche Frame Locations to determine on which fiche the citation is located. This table gives the microfiche number for each legislative day. If a legislative day is found on more than one fiche beginning and ending page numbers are given.

Please note the microfiche are numbered sequentially in the upper left hand corner. These numbers appear as part of the heading. Legislative day numbers are legible numbers in the body of the microfiche. There is no correlation between sequential fiche numbers and the legislative day contained on the fiche.

On the days for which there are both regular and special sessions, debates for the special sessions appear after the regular session for that day. A letter after the legislative day number indicates a special session.
